EHFCN WEBINAR

Portuguese new anti-corruption legislation: why is this regulation so innovative?

Speaker

Pedro Tomás Luiz is currently the Coordinator of the Internal Audit Office at the Regional Health Administration of Lisbon and Tagus Valley.

Pedro, previously, was team leader and healthcare inspector at Portuguese General Inspectorate of Health, where he developed work on fraud detection. Prior to that, he worked for the Portuguese Central Administration of the Health System (ACSS), as a management information analyst and also led the Human Resources Planning and Development Office at National Institute of Medical Emergency.

Pedro has two degrees: one psychology and one Law, by University of Lisbon School Of Law, and also a master in human resources management from the Lisbon School of Economics & Management.
